

The ENX Association supports with TISAX (Trusted Information Security Assessment Exchange) on behalf of VDA the common acceptance of Information Security Assessments in the automotive industry.

For the HWG Sababa S.r.l. confidentiality, availability and integrity of information have great value. We have taken extensive security measures on protection of information. Therefore, we follow the question catalogue of information security of the German Association of the Automotive Industry (VDA ISA).

HWG Sababa has been certified according to TISAX since November 2023.
